Dear Mr. Dyer:

This is in reply to your request to U.S. Customs and Border Protection (CBP).

Upon review of your FOIA request, it has been determined that your description is too vague. You requested, records and statistics on how many times the USBP has had to respond to injured foreign nationals that suffered falls from Border wall in Arizona Tucson and Yuma sectors in FY 2007-2014.

Please be advised Department of Homeland Security (DHS) regulations require you to describe the records that you seek in enough detail to enable Departmental personnel to locate them with a reasonable amount of effort. Whenever possible your request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record. See Title 6 C.F.R §5.21(b). The FOIA does not require an agency to create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify specific records.

This is not a denial of your request. Upon receipt of a perfected request, you will be advised as to the status of your request.

Your request has been assigned reference number CBP-2014-021291. Please refer to this identifier in any future correspondence. You may contact this office at (202) 325-0150.
